JS SMALL PARTS CABINETS provide convenient storage and orderly organized for all sort of small parts, Crystal-clear polystyrene drawers to permit quick visual inspection and picking of contents. Each smooth slide-gliding drawer have pull handle, two cross dividers to permit user to create any sizes required and label holder for marking purposes. Label cards and transparent protected covers are included. Drawer stoppers prevent accidental removal and spilling of contents. Cabinets are welded steel frame finished in rust-resistant epoxy powder coating of attractive mistgray. Cabinets can be arranged in row or stacked up on top of each other. For replacement of drawers, drawer track / support specify model No.
